

Dear colleagues,
thank you for your registration for the ESVCN Congress.

Please make sure to test your access to the delegate hub prior to the congress. **All links to Sessions are posted on the Delegate Hub.** You can do that by going to: <https://esvcn.org> Then login and go to view delegate hub on the right part of the screen (I marked it in blue on my screen to make it easier recognizable, but it will not be blue on your screen):

Please read the whole page and follow the instructions. You can already find the posters as pdf, so you can view them in advance, and already prepare questions, as the Q&A after each poster presentation will be quite short. You can put your questions in the chatbox during the session, and authors will look at this after the Q&A session, so can respond to your question later. **Please always indicate the abstract number when asking a question in the chatbox.** This is only possible during the live event. We hope you will enjoy the congress.

ESVCN CONGRESS 2021 > Delegate Hub

Welcome to ESVCN 2021

Well - what a year it has been. We hope you are all well and we are glad you can once again join us virtually for this year's Congress. Our host this year is the 'planned' team from The University of Trás-os-Montes and Alto Douro Portugal, under the Leadership of Ana Lourenço. However, as we all still really want to meet up in Portugal, they have also agreed to 'host' us in real time soon - so, third time lucky, we hope. Meanwhile we hope you will enjoy this year's Congress. Once again we have a large number of papers and we allowed for extra time (Chat Rooms) to discuss the latest issues in Veterinary and Comparative Nutrition.

How to Join Us:

1. Make sure you have downloaded the latest version of Zoom (<https://zoom.us>)
2. Simply click on the 'join us' button for the session you wish to join
3. Once joined please ensure your name is listed as your registered name (participants-more-rename)

(Authors: add your Abstract Number before your name e.g. - A12 Sam Peters)

4. Please always make sure your sound and video are turned off
5. Ask questions in the chat box - open it as a separate window beside your zoom window
6. Please put the abstract identifier before a question you wish to ask (A12, A58...)

AUTHORS: Test Session open from 30 - 10 minutes before start of day (e.g. Day 1: 14:30-14:50)
