

ESVCN

## 3rd **Early Career** workshop in veterinary and comparative nutrition science

After two successful workshops in 2017 (Belgium) and 2019 (North-Carolina), ESVCN (European Society of Veterinary and Comparative Nutrition) and Waltham are organising the third edition.

Sessions will focus on **supporting you to grow your career**, such as how to obtain grant funding, work with industry, supervise others and much more. There will be specific sessions helping with your personal development. The program will be announced soon.

### WHO

For ESVCN members or other scientists with a postdoctoral profile that can motivate an interest in comparative nutrition.

*Not a member? Why not join now? [ESVCN](#)*

### WHEN

June 26- 29, 2023

### WHERE

[Prullenbos](#), Laarne, Belgium

### COST

Activities, food and accommodation are free. Travel grants will be available for chosen ESVCN members.

### HOW

Send your CV along with a covering letter explaining why you would benefit from this workshop by **March 15** to [execad\\_esvcn@unequi.org](mailto:execad_esvcn@unequi.org) .

Applications will be reviewed by ESVCN with the workshop organisers. Applicants will be notified about acceptance in April 2023.
